

## David Weiner

---

David is a current ADEM in District 42 and has lived in Palm Springs for over 15 years. David is a lifelong Democrat who believes that the Democratic Party should represent all of us, not just those with "connections."

David has been a volunteer for numerous election campaigns and local organizations such as Desert Stonewall Democrats and Equality California, among others. David has also spent time on the ground doing precinct walking, registering voters, and volunteering at the DSD booth on Thursday evenings at the Palm Springs VillageFest.

He is proud to be a returning member of Slate Deep Blue 42 and looks forward to once again being one of your grassroots ADEMs to the Central Committee of the California Democratic Party. Remember, we are here to represent YOU!
